Fixed Rate Loans: Loans with level payments for the first five years (no buydowns or rate concessions).

For Non-Fixed rates, multiply Fixed base rate by 125% before application of any adjustments. Round to the nearest basis point.

Rates may not be available for all states, credit scores and LTVs due to application of underwriting guidelines. Additional coverages are available.

For additional rates and coverage information, please contact your Sales Advisor at **855.317.4NMI (4664)**

Investor Required Coverages

As with all programs, check directly with your investor for specific coverage requirements.

Loan Type Definitions

- **Fixed Rate Loans:** Loans with level payments for the first five years (no buy downs or rate concessions).
- **Non-Fixed Rate Loans:** Loans with payment changes or the potential for payment changes during the first five years of the mortgage.

Loan Term Definitions

- **>20 Years:** Loans which fully amortize over a period greater than twenty years and no greater than forty years (241-480 months).
- **≤20 Years:** Loans which fully amortize up to a maximum of twenty years (≤240 months).

Non-Refundable Rates

For non-refundable rates, no premium refunds are available when coverage is cancelled unless cancelled under Homeowner Protection Act of 1998.

All Lender-Paid rates are non-refundable. The Homeowners Protection Act of 1998 does not apply to Lender-Paid mortgage insurance.

Premium Adjustment Rules Rate Floor

The application of discounts cannot result in a rate less than 0.15%.

Rate/Term Refinance

Rate/Term Refinance loans are refinance loans featuring a reduction in interest or loan term and a minimum amount of cash back to the borrower not to exceed \$2,000 or 2% of the new loan amount.

Cash Out Refinance

Cash Out Refinance loans are refinance loans where cash back to the borrower exceeds \$2,000 or 2% of the new loan amount.
